Advising Tomorrow

Considerations:

- Your major specific courses should not be changed in order to help you stay on track
- Your general education classes were selected based on *your* preference

In conclusion, we do not expect that you will need to change your schedule. We do not need to meet with you tomorrow if you do not need any edits to your schedule.

Exception: If you have a very convincing reason for your schedule to change
Ex. You have an AP score incoming that will give you credit for a class you are current enrolled in.
