6. **Student initiates** scheduling one-on-one meeting
7. **Form only outlines accommodations**, does not disclose diagnosis
OARS holds varying walk-in hours, daily. Call to see who is on drop-ins and what time they are held that day. (Can change weekly)

Exams have to be in the OARS system 7 days in advance. (Act proactively for accommodations.)

OARS accommodations are for the classroom setting, most often.

Students must meet one-on-one with OARS staff each semester to maintain accommodations.

Beginning of the semester is a busy time, register ASAP.
