WHAT IS FIRST DAY™?

First Day™ is an all-inclusive access model where digital course materials are included as an additional course charge for a particular course or program that is lower than what the student could buy them elsewhere. This model is easy and convenient for students to use, provides an affordable option, and supports student success by ensuring every student is prepared for the first day of class with all the required course materials. The digital course materials are made available within the Canvas Learning Management System. Students can opt-out of the program if desired.
What Are the Benefits of First Day?

- Students are prepared on the first day of class with all of their required materials, leading to greater success.
- First Day materials are accessible through the Internet so it goes where you go, on whichever device you want.
- The cost of First Day course materials have been negotiated to be the lowest price available from the publisher.
