FYE 101
Succeed at the G

The FYE 101: Succeed at the G program is designed to help new students transition successfully to academic and student life at UNC Greensboro. Students will connect with the UNCG community, campus resources, and opportunities, while developing skills essential for academic success, and begin their journey to discover their own purpose and potential at the G.

“This class taught me life skills and academic skills that I could immediately apply to my career and educational path. It also made me feel more comfortable with my school work this semester because my classmates and I faced similar challenges during our first year, and we learned to get through everything together. My FYE Instructor and PAL were very enthusiastic, and they were always extremely kind every time we interacted, which made me look forward to attending class each week.” - Fall 2021 Student

“This course allowed me to discover a lot of new things about myself, which in the end helped me choose my major. I also learned about the many resources UNCG has to offer, and if I ever need help, I know someone is there for me.” - Fall 2021 Student

“FYE 101 made me feel at home. It made me feel like I belong here.” - Fall 2021 Student
