YOU can study abroad!
studyabroad.uncg.edu

Research shows study abroad results in:

- **Higher GPAs**
- **Higher graduation and retention rates**
- **Increased employability**
- **Career skills**
- **Intercultural skills**
- **Personal growth**
- **Greater social mobility**

See the data

Can you picture yourself abroad?

We believe Study Abroad is for everyone.

But don't take our word for it. Hear from a student...

De'Ron Robertson studied abroad in Japan

49% of our study abroad participants have never been on a plane before.

You can do this!

Myth-busting time!

“I can’t afford it.”

Affordable programs & Financial aid!

“It’ll delay graduation.”

Not if you plan ahead!

“I don’t speak the language.”

No problem!

“I can’t be gone for a whole semester.”

We’ve got short programs too!

Get started! Study Abroad 101

The screenshot shows the homepage of the UNC Greensboro International Programs Center's Study Abroad & Exchanges website. The header features the UNC Greensboro logo and the text 'STUDY ABROAD & EXCHANGES'. A navigation bar includes 'Programs', 'NON-UNCG LOGIN', and 'LOGIN'. A left sidebar lists various program categories and an 'Announcements' section. The main content area has a large banner for 'Study Abroad 101' with a 'Click through for our Canvas Course' call to action. Below the banner are four buttons: 'Steps to Study Abroad', 'Programs by Major', 'Search All Programs', and 'Frequently Asked Questions'.
