# CAMPUS TRADITIONS

## MINERVA

Minerva, the goddess of Wisdom. Tradition has it that if you take a bite of an apple and leave it at her statue, she'll bring you good luck on your exam!

## THE DAISY

The daisy is our official school flower and inspired the original two school colors of gold and white! It is tradition each year to give new students a daisy at NAVIGATE!

## THE RAWK

For 24 hours at a time, students use The Rawk as a message board to communicate with the entire campus.

## UNIVERSITY BELL

The ringing of the University bell is a tradition to open the academic year at the start of each fall semester at NAVIGATE! The bell is also run at Commencement.

## THE CLOCK

According to campus legend, students who walk underneath the clock tower won't graduate on time. Most students don't take any chances.

## THE DONUT

Legend has it that in 1980, Dunkin' Donuts were served at a staff meeting in the basement of Jackson Library. After the meeting, one donut remained, and That very donut is preserved and displayed in the Library!
