

# GET SPARTAN SET BY AUGUST 1

Before you arrive on campus this fall, make sure you've checked off these items! If any of these requirements aren't completed, it may disrupt your semester, so get Spartan Set!

## SUBMIT IMMUNIZATION RECORDS

The state of North Carolina mandates that all students who live on campus and/or take more than four credit hours of weekday, on-campus courses are required to submit immunization records to the university. You can submit records via the Student Health Services (SHS) patient portal. SHS also offers immunizations on site.

## PROVIDE US WITH YOUR FINAL TRANSCRIPTS

In the excitement of starting college, it's easy to forget about sending us your final transcripts – but your admission to UNCG is contingent on us receiving them. You can submit your official, final high school transcripts, official AP or IB scores, and any college transcripts to us **directly from the awarding institution** in one of the following ways:

- Hand-delivered in a sealed envelope via the dropbox at the UNCG Registrar's Office located on the ground floor of the Mossman Building (1202 Spring Garden St., Greensboro, NC 27412)
- Sent to us electronically
- Mailed to the UNCG Office of Undergraduate Admissions (PO Box 26170, Greensboro, NC 27402)

## AFTER YOU REGISTER FOR CLASSES...

### WAIVE OR ENROLL IN STUDENT HEALTH INSURANCE

The UNC System requires students who meet certain criteria to carry health insurance. Once you register for classes, you'll receive an email in your UNCG account from Student Blue. You must either waive coverage (if you have existing insurance) or choose the Student Blue plan from Blue Cross and Blue Shield of North Carolina. **Please note: If you don't make a choice, you'll be enrolled in the Student Blue plan by default, and responsible for paying the policy premium, so make sure you take action even if you have existing coverage.**

### PAY YOUR BILL

UNCG assesses tuition and fees each semester. Bills are sent electronically. Most students will be notified of fall semester bills in early July via their UNCG email. UNCGenie is where you can view and pay your bill and, if needed, designate an authorized user to make payments on your behalf. To make paying for college more manageable, UNCG offers an interest-free payment plan that allows for three, four, or five installments, depending on when you enroll.
