THE MEDICAL CLINIC

PRIMARY MEDICAL CARE
Student Health Services provides primary health care services for UNC Greensboro students, as well as convenient care for UNCG Faculty and Staff. As a health organization operating within an academic institution, we are committed to the support of the educational, research and service missions of the University.

Services include preventive care and health maintenance services, such as annual physical exam with lab evaluation, consultation, diagnosis, treatment, and follow-up of acute illness or injury, such as the common cold, influenza, skin conditions, abdominal pain, headaches, asthma, pneumonia, sexually transmitted infections, and back pain.

FEES, CHARGES & PAYMENTS

STUDENT HEALTH FEE

University Health Services Fee is a mandatory fee for undergraduate and graduate students. The fee is prorated by the number of hours enrolled for students. The fee provides access to professional medical care at the Student Health Center.

Students do not have to be enrolled in the Student Blue health plan to utilize the services at the Student Health Center. The Student Health Service fee that UNCG students pay as part of their general university tuition entitles them to many professional services offered by the Student Health Service.

The fee itself pays for nurse consultations, counseling sessions, sick visits. This means a student does not have to pay to be treated by a health care provider for certain types of visits. Students do not have to be enrolled in the Student Blue health plan to utilize the services at the Student Health Center.

PAYMENT OPTIONS

Payment for any charges incurred by a student is due on the day of service. At SHS, we accept several forms of payment: Cash, Check, MasterCard/Visa, or students may charge the balance to the University Cashier’s Office*. Flexible savings accounts (FSA) are also accepted.

The Student Health Service holds with utmost regard a patient’s right to privacy, and information concerning a visit is not accessible by any person outside of Student Health Service without expressed written permission from the patient.
Don't be late, submit by the date!

Immunization Records
Upload your Immunization Records through the online Patient Portal.
Scan the QR code to visit the Immunization Requirements page and watch the upload instructional video.
