FALL KICKOFF 2025

CHANCE CAMP 2024

LIVE THE MOTTO.

Be a Changemaker.

At UNCG, service is more than a word. It is our motto.

A Changemaker is a Spartan who imagines a new reality, steps forward to take action, and collaborates with others to bring that reality to life for the greater good of our community.

As a UNCG student, you are invited to live the motto by completing at least one meaningful service experience before you graduate and logging it in GivePulse. This could include participating in a Day of Service, joining a service-focused student organization, engaging in a community partnership, serving through a course, or stepping into a leadership experience that benefits others.

Being a changemaker at UNCG is not about checking a box. It is about leading, building community, and contributing to something bigger than yourself.

The Office of Leadership and Civic Engagement is here to help you get started. Through volunteer opportunities, the Spartan Leadership Challenge, community partnerships, and campus-wide events like Changemaker Week, OLCE provides pathways for every Spartan to live the motto in a way that aligns with their interests and values.

Visit the Office of Leadership and Civic Engagement in your Changemaker journey!

CAMPUS

TRADITIONS

MINERVA

Minerva is the goddess of wisdom. Tradition says leaving a bitten apple at her statue brings good luck on your exam.

THE RAWK

For 24 hours, The Rawk becomes a message board for the whole campus.

THE BELL

The University bell is rung at NAVIGATE to open the academic year each fall. It is also rung at Commencement.

DAISY

The daisy is UNCG's official flower and inspired the original school colors, gold and white. Each year at NAVIGATE, new students receive a daisy as part of the tradition.

THE DONUT

Legend says a staff meeting in Jackson Library's basement served Dunkin' Donuts in 1980. One donut was left behind and is still preserved and displayed in the Library.

THE CLOCK

Campus legend says students who walk under the clock tower won't graduate on time. Most students do not risk it.
